

OE BAND BOOSTER MEETING MINUTES

Submitted for approval by: Kerri Church

DATE: Tuesday, March 8, 2021

TIME: 7:00 p.m.

LOCATION: Zoom Virtual Meeting

This was an executive board booster meeting. All executives, plus Mr. Smikahl were in attendance.

The below items were discussed:

Budget

We discussed all line items on the budget. I am not going to list each item and what was said but will note a few of them.

- Contributions - we will go back to budgeting \$300 for marching band students and \$50 for concert band students. Mr. Smikahl said we will have around 120 marchers and 50 concert band students and we agreed to budget that we will receive roughly 70% of the suggested contributions.
- Orange & Blue BBQ - most likely we will not be able to do food again this year. We can do band performance outside and do in-person silent auction inside.
- Survival kits - not doing those for upcoming 2021 - 2022 year.

Trip

- Around 10 students have reached out to Mr. Smikahl to let him know that they will need assistance with paying the fees for the trip.
- Student accounts for fund raising - someone at OE can set up student accounts and track the money that the student raises through fundraising and then the school will pay Bob Rogers Travel.

Fundraising

- Mom of a freshman percussionist said she would head up a fundraiser.
- Fundraisers done in the past:
 - Flowers - Carolyn Wilson will head this up and we will do it in April/May.
 - Mixed Bag - Need someone to be in charge of this - will do this in June/July. Items can be picked up at Orange & Blue BBQ.
 - Mattress sale - Mr. Smikahl talked about doing this as a joint fundraiser with Orchestra in August/September.
 - Coffee - Need someone to be in charge of this - will do it in October/November.
 - Cookie dough - Need to find a new cookie guy - will do this November/December.
- Jen Spaeth - doing a dip stick fundraiser?

Competitions

- KBA at KU
- OMI
- SMN, BSS, or BS as the 3rd contest

Football Games

- Cookies and filling the Gatorade jugs with water is some work. Instead, maybe we could do prepackaged snacks and small water bottles.
