

Congratulations on being selected as a member of the ECKMEA All District Honor Band! Below you will find information for each group and your music so you can start practicing. Please let me know if you need assistance printing the music. I'm happy to do so after school or during seminar.

Dear Director:

Congratulations again to your student(s) on their selection to the ECKMEA Honor Ensembles! Please see the following table below which contains links to your student's assigned folder(s) for the **ECKMEA Honor Gold, Blue, and Red Bands**.

Included in each folder is a letter with schedules and other important logistical details and for our upcoming rehearsals and mini-convention.

Students need to print their respective parts to practice prior to the **ECKMEA District Honor Band Rehearsals on December 6 and 7**. Students need to bring their printed copies of the music to rehearsals. Originals will not be provided. Copies will be collected and destroyed following the ECKMEA concerts.

Woodwind and brass students should note any specific part and divisi assignments listed on the spreadsheet.

Percussion students should note specific instrument assignments. **Only large instruments are provided (bells, xylophone, vibraphone, marimba, chimes, timpani, and concert bass drum.)** Students are responsible for bringing all necessary sticks, mallets, and stands to all rehearsals.

Note - percussion assignments are still in process and will be completed this week.

Printing Tips:

1. Select 8 ½ x 11 inch paper in PORTRAIT mode
2. If there is an option - SCALE TO FIT: PRINT ENTIRE IMAGE

As always if you have any questions, please do not hesitate to reach out! I hope your students are excited about this opportunity!
